Gift Sponsorship

It's the virtual equivalent of a basketful of kittens under the tree: give a Gift Sponsorship of the Kitten Fund, and your loved one will get updates and photos of lovable little ones all year long. Your monthly donation will help provide life-saving care for orphaned kittens.

Or maybe you have a heart for cats with Special Needs. You can choose a diabetic kitty like Yardley; a sweet senior like Shifty; or a paraplegic like Olive. Meet all the kitties who want to be your sponsored sweetie here. By virtually "adopting" one of these courageous kitties, you'll give a full year of love and nurture to a cat who truly needs you. We'll send updates and pictures of your special kitty to the lucky gift recipient.

Can't choose among all these kitties? Sponsor the General Fund, and you'll help them all. We'll send updates on different cats you're helping each and every month.

Virtual Gift Basket

Exclusively available at Tabby's Place! Whether you live in New Jersey or New Guinea, you can personally deliver a care package to the cats. Order a Virtual Gift Basket, and your donation will purchase special nurturing items for cats in need. We'll send a one-of-a-kind, beautiful card to your loved one announcing your gift.

Choose from diabetic cats, senior sweeties, mother cats and kittens, or kitties with heart disease. Or, pick a festive Christmas, Chanukah or New Year's gift basket to bring festive fun to all the cats.

Supply Critical Needs

You can save lives this holiday season by purchasing the items our cats need most. When you donate directly towards the kitties' emergency and intensive care, and we'll send your loved one a beautifully-designed, heartfelt card announcing your kindness.

You can also nourish hungry kittens, or feed Special Needs cats by donating prescription cat food. As your loved one enjoys her holiday feast, she'll know you're making it possible for homeless kitties to have warm, full tummies this winter, too.

Donate in Honor or Memory

Is simple and elegant your style? Donate in honor of your dear one, or memorialize a cherished pet or person, sending a classic cream-colored card with your own personalized message. Your friends and family will feel truly loved when they know you're caring for both them and cats from hopeless situations.
